COMMUNITY USE OF SCHOOL FACILITIES

The policy of the Mohawk Trail Regional School District Committee is to make its facilities and resources available to the community. Community groups will make application for use of facilities to the School Principal. In scheduling use of the facilities, school-sponsored activities have priority over non-school sponsored functions.

Groups using school facilities must comply with use regulations (KF-R). Groups wishing to use school facilities on a regular and sustained basis may negotiate a separate agreement with the Superintendent.

It is also the intent that the school wi-fi system be available to community members with some type of sign in required and assurance of the safety of students in the building.
